One reading report of 300 pages. Extended bibliography in the back of the Gilderhus book is a good source for potential books.

What the paper should contain:

Top of paper -> Author, Title, Publisher, Date of the book

Talk a bit about the author, who is he/she? What do they do? credentials.

A brief summary of the book.

A statement of how many pages you read in the book.

You must sign it.

We are discussing our relationship with Latin America as a whole but certain parts will be more important than others.

We will discuss the caribbean nations and mexico area quite a lot.
